

New Product Uptake

Trimbow (Chiesi) and Trelegy Ellipta (GSK)

In 2017, two new 3-in-1 inhalers entered the combination inhaler market. Trimbow (Chiesi) was first prescribed in August 2017 and the first script for Trelegy Ellipta (GSK) was fulfilled in November 2017.

The chart below tracks the number of practices prescribing these new products.
